Can I choose my provider?

Yes, you can talk to us at any time about the provider you would like to see. Call us at 435-634-5606.

Can I get a second opinion?

Yes. You can get a second opinion about your mental health or substance abuse problem or services. There is no cost to you for a second opinion. If you would like a second opinion, call 435-634-5606 and ask for the Managed Care Coordinator.

Can I get mental health or substance abuse services from someone outside Southwest Behavioral Health Center?

In some situations, you can go to a provider outside SBHC. You and the provider must get approval before you get services outside SBHC. For more information, call 435-634-5606 and ask to talk with the Managed Care Coordinator.

When will I be told if I can see someone outside Southwest Behavioral Health Center?

If the provider has a written agreement with SBHC, we can usually decide within 14 calendar days after you ask. Sometimes, we need more time to make a decision. We will let you know about this in writing. If we need to take more time, you can file a grievance if you are unhappy about this. If you or your provider wants us to take more time making the decision, let us know.

If you, or your provider, think it is important to make a decision quickly and we agree, we will try and make a decision in 3 working days. We will give you our decision in writing and also let the provider know what our decision is.

If the provider does not have a written agreement with SBHC, we will make a decision within 14 calendar days.

SECTION 8 - EMERGENCY SERVICES

What is an emergency?

- When you think your life is in danger
- When you believe you might harm yourself or others
- When your safety or others' safety is at risk

What are emergency services?

These are mental health or substance abuse services given to treat your emergency.

How do I get emergency services?

SBHC has 24-hour emergency services seven days a week. You can call any time to talk with a crisis worker.

To get emergency care day or night, call SBHC at 435-634-5600 or 435-867-7654. We will help you with your emergency, and direct you to a treatment location if needed. If you don't want to call first, you can come right away to any of our outpatient clinics between 8 a.m. and 5 p.m. and talk to a crisis worker.

Also, day or night, you can go to any hospital emergency room for emergency services. Even if you are out of town, go to the nearest hospital emergency room. You do not need approval from SBHC before you get emergency services. We are responsible for all outpatient and inpatient mental health emergency services that are needed regardless of where the emergency occurred or was treated

SECTION 9 - MENTAL HEALTH CARE IN A HOSPITAL

How do I get mental health care in a hospital?

Mental health care in a hospital **after an emergency** is usually called post-stabilization care services. SBHC uses Dixie Regional Medical Center at 1380 E. Medical Center Dr., St. George, Utah for mental health care in a hospital.

If a hospital other than Dixie Medical Center treats your emergency and wants to admit

you, the hospital must call SBHC at 435-634-5600 or toll-free at 800-574-6763 to ask for approval. It's important to let the hospital know SBHC is your Medicaid mental health provider so they can call us if they want to admit you. We might have you stay at that hospital or we might transfer you to another hospital.

SECTION 10 - PAYMENT FOR SERVICES

Hospital Emergency Room Services

Will I have to pay for services in a hospital emergency room?

You will not have to pay for emergency services in a hospital emergency room. However, there is a co-payment if you use the emergency room when it is not an emergency.

Mental Health Care in a Hospital

Will I have to pay for mental health care in a hospital?

You will not have to pay for mental health care in a hospital if you are:

- on Medicaid under the CHEC program
- living in a nursing home
- American Indian/Alaska Native
- Getting hospice care
- On Medicaid under the Medicaid Cancer program
- On Medicaid due to being pregnant

If you are not in one of these groups, the hospital can charge you \$75 for each hospital stay. Hospitals cannot charge you more than the co-payment.

Outpatient Mental Health and Substance Abuse Services

Will I have to pay for outpatient mental health or substance abuse services?

Non-Emergency Outpatient Services

You might have to pay your provider for a **non-emergency** outpatient service if:

- You get a service that is not covered by SBHC or Medicaid; or

- You get a service that is not pre-approved by SBHC (the provider or you tried to get approval but SBHC denied the request or approved less than was asked for); or
- You do not go to an SBHC provider.

If any of the above happens, your provider might ask you to pay for the service.

You should only be billed for the service if all four things below are met:

- The provider has a written policy for billing all patients for services that are not covered, not just Medicaid patients;
- The provider tells you before you get the service that you will have to pay for the service;
- You agree to pay for the service; and
- There is a written agreement signed by you and the provider that says what the service is and how much you will have to pay.

NOTE: If SBHC did not approve a service you or your provider asked for, you can appeal this decision with SBHC before you agree to pay for the service. Section 13 on page 14 explains how to appeal.

You might also have to pay your provider for a non-emergency outpatient service if:

- You ask for and get services during an appeal with SBHC or during a Medicaid fair hearing. You would only have to pay if the appeal or fair hearing decision is not in your favor.
- You are not on Medicaid when you get the service.

Emergency Outpatient Services

You will not have to pay for emergency outpatient services.

Ambulance Services for Emergency Care

Will I have to pay for ambulance services for emergency care?

You will not have to pay for ambulance services for emergency care.

- Complete surveys about the services SBHC has given you.
- Respect the property, comfort, and confidentiality of clients and staff, and
- Notify your treatment provider when you want to stop getting services.

SECTION 12 - ACTIONS

What are actions?

Actions are when SBHC:

- Denies (turns down) or approves fewer services than you wanted;
- Denies payment for a service.
- Does not offer your first appointment within the required amount of time for emergency, urgent, or non-urgent care and you are not happy with this. (See *Getting Mental Health and Substance Abuse Services*, page 6);
- Does not settle an appeal or grievance you have with us as soon as we are supposed to; or
- Or your provider reduces or stops a service previously approved. If you agree with the change, it is not an action. It is only an action if you tell us you don't want the change.

How will I know if the Southwest Behavioral Health Center is taking an action?

SBHC will send you a letter called a Notice of Action. You will have the right to appeal if you disagree with our action.

SECTION 13 - APPEALS

What is an appeal?

An appeal is when you ask SBHC to review our action to see if we made the best decision.

Who can file an appeal?

You, your legally authorized representative, or your provider, can file the appeal. If your provider files the appeal, you must give your written consent.

When do I have to file an appeal?

Your Notice of Action letter will give complete information on the appeal process, including how soon you must tell us you want to appeal the action. In most situations, you must tell us you want to file an appeal within 30 days from the date on the Notice of Action letter.

How do I file an appeal?

The Notice of Action letter will tell you how to file an appeal. If you need help filing your appeal, call the Managed Care Coordinator at 435-634-5606.

Can I keep getting services if I file an appeal?

If our action was to reduce or stop services we had previously approved you need to tell us if you want to keep getting those services. If you file your appeal in the time frame required and you ask that those services be continued, we will keep giving you these services. You might have to pay for the services if the appeal decision is not in your favor. If you are appealing any other kind of action and have questions about services during your appeal, call the Managed Care Coordinator at 435-634-5606.

When will Southwest Behavioral Health Center tell me the decision on my appeal?

Usually, we will give you a written decision within 15 calendar days after we get your appeal. Sometimes, we need more time to make the decision. If we need more time, we will let you know in writing. Also, you might want us to take more time for some reason. If so, let us know. When you, your provider, or we think it's important to make a decision on your appeal quickly, we will usually make a decision within three working days.

SECTION 14 - MEDICAID FAIR HEARINGS

What can I do if I am unhappy with the appeal decision?

If you are unhappy with our decision on your appeal, or we cannot make a decision on your appeal as soon as Medicaid wants us to, this is what you can do:

You, your legally authorized representative, or your provider can ask for a fair hearing with Medicaid. In our appeal decision letter, we will tell you that you can ask for a fair hearing. The letter will tell you how and when to ask for the fair hearing. We will also give you the fair hearing request form to send to Medicaid. You must ask for a fair hearing in writing using the form we give you.

If you have questions or need help filling out the form, call the Managed Care Coordinator at 435-634-5606.

At a fair hearing, you can speak for yourself, or you can have a relative, friend, lawyer or anyone else speak for you. Before and during the fair hearing, you, and any person helping you, can present documents. Also, you, and any person helping you, can look at all of the documents that will be used at the fair hearing.

Can I keep getting my services if I ask for a fair hearing?

If the fair hearing is about our decision to reduce or stop services we have previously approved, you need to check the box on the fair hearing form asking that the services continue. If you request a fair hearing in the required time frame and ask that SBHC keep giving you services, we will continue to give you services. You might have to pay for these services if the fair hearing decision is not in your favor. If the fair hearing is about any other kind of action, you can discuss your services during the fair hearing.

SECTION 15 - COMPLAINTS/GRIEVANCES

What if I have a complaint about Southwest Behavioral Health Center or my provider?

If you have a complaint about anything other than an action, this is called a grievance. Examples of grievances are complaints about the quality of care or services given to you, rudeness of a provider, or a provider not respecting your rights.

Who can file a grievance?

You, your legally authorized representative or your provider can file a grievance.

How do I file a grievance?

- You can talk to your provider or SBHC staff about your grievance; or
- You can call the Managed Care Coordinator at **435-634-5606** and tell the Managed Care Coordinator you want to file a grievance; or
- You can call us **toll-free at 800-574-6763** and ask to speak to the Managed Care Coordinator.
- You can give it to us in writing. Give it to your provider or any staff member, or mail it to:

**Southwest Behavioral Health Center
Managed Care Coordinator
474 West 200 North, Suite 309
St. George, UT 84770**

If you don't want to talk to us about your grievance, you can call Medicaid on weekdays at **1-877-291-5583**.

What if I have questions or need help filing my grievance?

Call the Managed Care Coordinator at **435-634-5606**.

When will Southwest Behavioral Health Center tell me the decision on my grievance?

We will give you a decision within 45 calendar days after we get your grievance.

Sometimes we need more time to make the decision. If we need more time, we will let you know about this in writing. Once we make a decision, we will either talk to you about our decision on your grievance, or we will send you a letter.

SECTION 16 - ADVANCE HEALTH CARE DIRECTIVES

What if I am ill and can't make health care decisions?

You can give other people instructions about your decisions for your health care. This is called an "Advance Health Care Directive." This will tell us in writing what health care choices you want made if you get very sick and can't decide for yourself.

Once you have filled out the Advance Health Care Directive form, be sure to give a copy to all of your health care providers. You should also keep a copy and give one to your family members. If you would like the form or need more information please call us at 435-634-5600, or talk to your provider or case manager. If you have an Advance Directive and there is a problem with it being followed call the Utah Survey and Certification agency at **801-536-6158** or **1-800-662-4157**

SECTION 17 - PRIVACY

Who can read or get copies of my medical record?

SBHC follows federal laws about privacy of your mental health and substance abuse record. SBHC does not use or share your protected health information except as federal law allows. When allowed by federal law, only the minimum necessary information is shared. We will talk to you about privacy when you first come to SBHC or your provider.

SECTION 18 - SOUTHWEST BEHAVIORAL HEALTH CENTER OPERATIONS

What if I want to know more about how Southwest Behavioral Health Center is set up and works?

We will answer any questions you have about how we are set up, including questions about our grievance system, billing practices, confidentiality policy, and how we choose providers and what is required of them. If you ask, we will give you a copy of our Preferred Practice Guidelines for mental health and substance abuse services. Call the Managed Care Coordinator at **435-634-5606**.
